Important Customer Information

Pages 4 and 5 are for your guidance and do not form part of the insurance contract.

You should keep a complete record of all information (including copies of letters) supplied to us in taking out this insurance. So that you understand what you are covered for, please read this policy, the **Policy Schedule** (which may make reference to **Endorsements**) and the **Certificate of Motor Insurance** very carefully. You should pay special attention to the General Exceptions & General Conditions of this policy.

The words or phrases shown under the Definitions section of this policy document commencing on page 6 have the same meaning whenever they appear in this policy document or in the **Certificate of Motor Insurance, Policy Schedule** or **Endorsements**.

If you have any questions, or the cover does not meet your needs or any of the details are incorrect you should notify us immediately via your **Insurance Intermediary**.

So that you can easily identify these words and phrases they are shown in bold print throughout this policy document.

Guidance notes

There are useful guidance notes shown in shaded boxes throughout the policy document. The guidance notes do not form part of the insurance contract but are there to help you understand it. You should always read the guidance notes in conjunction with the whole of the policy document.

What to do in the Event of an Accident

Regardless of blame it is important that you take the following action:

Stop: Stop as soon as possible, in a safe place (if you have a warning triangle, place it well before the obstruction). If anybody has been injured, call the police and ambulance service.

Sketch: Make a quick sketch of the direction and final position of each vehicle (it is worth keeping a pen and paper in your vehicle).

Note down: You will need to make a note of:

- The vehicle registration number, name, address and telephone number of any other drivers involved in the accident.
- The number of passengers in each vehicle.
- The name and address of anyone who is injured (or suggesting they have been injured).
- The name, address and telephone number of any witnesses to the accident.
- The name, telephone number and constabulary of any police officer who attends the accident.

Take a photo: If you are able to do so, try and take photographs to support the positions of the vehicles and the extent of damage.

Provide: You must give your own details to anyone who has reasonable grounds for requesting them.

DO NOT: Do not admit responsibility, either verbally or in writing. Instead, simply supply your details along with your policy number to the other driver(s)/person(s) involved in the accident and ask him/her to call the claims advisors on **0344 873 8183**. By passing these details to the other person(s) involved in the accident you will give him/her the opportunity of obtaining assistance in progressing repairs and assisting with the provision of a courtesy vehicle if the circumstances of the accident warrant this.

If for any reason you have not been able to exchange details with other drivers or owners of property or you were in collision with an animal, you must report the accident to the police as soon as possible, and certainly within 24 hours of the accident.

Please call **0344 873 8183** within 24 hours of the accident, **but ideally within 1 hour**. This is regardless of whether **you** wish to make a claim under the policy or not.

Delay in notification of an incident may invalidate your right to claim. Please quote **your** policy number and give all relevant information about the incident. If **your** claim is due to theft, attempted theft or vandalism **you** must also inform the police and obtain a crime reference number.

This is not a full list and if you are in any doubt you should advise your **insurance intermediary** for your own protection. Guidance Notes - Notification of Changes

The premium that you pay is based on information you supplied at the inception or renewal date of this insurance policy. If your circumstances, or the circumstances of any driver covered by this policy change, then the premium needs to be recalculated to ensure we are collecting the correct premium for the risk.

It is important that you notify your **insurance intermediary** immediately of any changes such as those examples given under Notification of changes. If you fail to supply details of changes or the information supplied by you is not complete or accurate then we may cancel your policy and refuse to pay any claim, or we may not pay any claim in full, or we may revise the premium and/or change the compulsory **excess**, or the extent of the cover may be affected.

Section A - Loss of or Damage to the Insured Vehicle

This section only applies if the cover shown on your **Policy Schedule** is **Comprehensive**.

What is covered

We will cover you against loss or damage to the **insured vehicle** (less any **excess** that applies) caused accidentally or as a result of malicious damage or vandalism. Loss or damage more specifically covered under Section B of this policy is excluded under this section of the policy. We will also cover you for damage to sunroofs, **panoramic roofs**, lights/reflectors, folding rear windscreen assemblies or any permanently fitted accessories including glass contained within hard tops, under this section.

If the **insured vehicle** is fitted with Advanced Driver Assistance Systems (ADAS) we will pay for the recalibration of cameras or sensors fitted to the **insured vehicle** to operate these systems, if required, following an insured incident under this section. Cover also applies under this section while the **insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section we may either:

- pay for the damage to the **insured vehicle** to be repaired; or
- with your agreement provide a replacement car; or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay will be either:

- the **market value** of the **insured vehicle** immediately before the loss; or
- the cost of repairing the **insured vehicle**, whichever is the lower amount.
- the **written down value**, agreed value or **market value**, whichever is lower, if your **insured vehicle** is under a lease agreement.

We may deduct any outstanding premium from the agreed settlement value of the **insured vehicle**.

If the **insured vehicle** is subject to a hire purchase agreement, we will pay any money owed to that company and then pay any remaining money to you. If you have acquired the **insured vehicle** through lease or contract hire, we will pay the lease or contract hire company either the **market value** or **written down value** of the **insured vehicle**, or the amount required to settle the agreement, whichever is less.

We will not pay more than the **market value**, **written down value** or agreed value of the **insured vehicle** at the time of the loss less the total of the **excesses** shown in the **policy schedule**. We will also pay the costs for the protection, removal and storage of the **insured vehicle** following an accident and delivery after repair to your address.

We are not liable for any amount you are contractually obliged to pay under any lease or finance agreement, you have entered into, over and above the cost of replacing your vehicle.

If the **insured vehicle** is deemed to be beyond economical repair the damaged vehicle becomes our property once a claim is met under the policy. You must send us the vehicle registration document and valid MOT certificate if one is required by law for the **insured vehicle** before we are able to meet the claim.

Section A - Loss of or Damage to the Insured Vehicle (continued)

If the **insured vehicle** is the subject of a Hire Purchase / Lease Agreement we will pay up to the amount defined above under 'the most we will pay'. This payment will be made to the Hire Purchase / Lease Company as owner, whose receipt shall be a discharge of any claim under this section. If, under a Hire Purchase Agreement, you owe less than the proceeds of your claim, we will pay you the difference.

Guidance Notes - Finance or Lease Agreement

If your **insured vehicle** is the subject of a finance or lease agreement and your vehicle is deemed to be damaged beyond economic repair due to a covered loss under the policy the **market value/written down value** of your **insured vehicle** may not be sufficient to satisfy that agreement. We would recommend that you discuss any concerns that you may have with your **insurance intermediary** who may be able to supply you with details of products available to cover any shortfall.

New vehicle cover

We will replace the **insured vehicle** with one of the same make, model and specification if:

- The loss or damage happens within twelve months from the date the **insured vehicle** was first registered; and
- You or your **partner** are the first and only registered keeper of the vehicle (or the second registered keeper if the first registered keeper is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); or
- The vehicle is owned by a Lease Company who are the first and only registered keeper of the vehicle and they are in agreement that a replacement vehicle can be supplied; and

- The cost of repair is valued at more than 60% of the cost of buying an identical new vehicle at the time of the loss or damage (based on the United Kingdom list price); and
- The vehicle has covered less than 12,000 miles; and
- The vehicle was supplied as new from within the **geographical limits**. In these circumstances we, if asked by you, will replace the **insured vehicle** (and pay delivery charges) with a new vehicle of the same make, model and specification. We can only do this if a replacement vehicle is available in the geographical limits and anyone else who has an interest in the vehicle agrees.

If a replacement vehicle of the same make, model and specification is not available, we will, where possible, provide a similar vehicle of identical list price. If this is not acceptable to you we will not pay more than the **market value or written down value** of the **insured vehicle** at the time of the loss. Once a settlement has been agreed in accordance with this new vehicle cover, the damaged vehicle becomes our property.

If the **insured vehicle** is the subject of a Hire Purchase / Lease Agreement we will only agree settlement on the basis of this new vehicle cover if we have the agreement of the Hire Purchase / Lease Company as owner of the **insured vehicle**.

Repairs

If the damage to the **insured vehicle** is covered under your policy and it is repaired by an **approved repairer** you do not need to obtain any estimates and repairs can begin immediately after we have authorised them. We will arrange for an **approved repairer** to contact you to arrange to collect the **insured vehicle**.

Section A - Loss of or Damage to the Insured Vehicle (continued)

Repairs made by the **approved repairer** are guaranteed for three years. At your option you can arrange for a repairer of your choice to carry out the repairs.

You must send us at least two detailed repair estimates and full details of the incident as soon as reasonably possible. We will only be liable for the repair costs at a non-approved repairer if we have agreed that the costs are reasonable and we have issued an authorisation to the repairer. We may need to inspect the vehicle. We reserve the right to ask you to obtain alternative estimates and we may not pay you more than the approved repairer would have charged them for the repair of the **insured vehicle**.

If parts required for repairing the **insured vehicle** are not available in any country contained within the **geographical limits** our liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom. We will not pay the cost of importing parts that are not available in any country contained within the **geographical limits**.

We may at our option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to the approved repairer's guarantee.

We will not pay the cost of any repair or replacement which improves the **insured vehicle** to a better condition than it was in before the loss or damage. If this does happen you must make a contribution towards the cost of repair or replacement. You may be required to contribute to the cost of replaced items such as exhausts or tyres.

Protection and Recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, we will pay:

- the cost of its protection and removal to the nearest competent repairer, **approved repairer** or nearest place of safety; and
- the cost of re-delivery after repairs to your home or business address, whichever is the lower amount; and
- the cost of storage of the **insured vehicle** incurred with our written consent.

If the **insured vehicle** is damaged beyond economical repair we will arrange for it to be stored safely at premises of our choosing. You should remove your **personal belongings** from the **insured vehicle** before it is collected from you.

In the event of a claim being made under the policy we have the right to remove the insured vehicle to an alternative repairer, place of safety or make our own arrangements for re-delivery at any time in order to keep the cost of the claim to a minimum.

Section A - Loss of or Damage to the Insured Vehicle (continued)

In-vehicle entertainment, communication and navigation equipment

We will cover the cost of replacing or repairing the **insured vehicle's** in-vehicle entertainment, communication and navigation equipment up to the following amounts less the **excess** as shown on the **policy schedule**:

- Unlimited for equipment fitted as original equipment by the manufacturer; or
- £500 for the **insured vehicle's** in-vehicle entertainment, communication and navigation equipment not fitted by the manufacturer, provided it is permanently fitted to the **insured vehicle**.

Any amount payable in respect of in-vehicle entertainment, communication and navigation equipment will not exceed the value of the equipment at the time of the loss or damage after making a deduction for wear and tear.

Guidance Notes – Flood Advice

If possible move your vehicle to a safer place out of the reach of floodwater before the flood strikes (e.g. to higher ground).

Do not attempt to drive your vehicle through floodwater as it is inevitable that this will damage your engine particularly if your vehicle has a diesel engine or turbo charger.

If your vehicle is submerged do not try to start the engine. If possible get your vehicle pushed or towed out of the water and allow it to dry out. You may be lucky and the water may not have penetrated sufficiently to ruin the engine.

Repairs to the **insured vehicle** resulting from flood damage are covered if your policy cover is comprehensive but claims will be subject to the policy **excesses**. A comprehensive policy will also pay for towing as well as damage to upholstery, carpets and stereo systems resulting from flooding but only up to the limits shown within this document.

Section B - Loss of or Damage to the Insured Vehicle by Fire or Theft

New vehicle cover

We will replace the **insured vehicle** with one of the same make, model and specification if;

- The loss or damage happens within twelve months from the date the **insured vehicle** was first registered; and
- You or your partner are the first and only registered keeper of the vehicle (or the second registered keeper if the first registered keeper is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); or
- The vehicle is owned by a Lease Company who are the first and only registered keeper of the vehicle and they are in agreement that a replacement vehicle can be supplied; and
- The cost of repair is valued at more than 60% of the cost of buying an identical new vehicle at the time of the loss or damage (based on the United Kingdom list price); and
- The **insured vehicle** has covered less than 12,000 miles; and
- The vehicle was supplied as new from within the **geographical limits**.

In these circumstances we, if asked by you, will replace the **insured vehicle** (and pay delivery charges) with a new vehicle of the same make, model and specification. We can only do this if a replacement vehicle is available in the **geographical limits** and anyone else who has an interest in the vehicle agrees. If a replacement vehicle of the same make, model and specification is not available, we will, where possible, provide a similar vehicle of identical list price.

If this is not acceptable to you we will not pay more than the market value or **written down value** of the **insured vehicle** at the time of the loss.

Once a settlement has been agreed in accordance with this new vehicle cover, the damaged vehicle becomes our property.

Repairs

If the damage to the **insured vehicle** is covered under your policy and it is repaired by an **approved repairer** you do not need to obtain any estimates and repairs can begin immediately after we have authorised them. We will arrange for an **approved repairer** to contact you to arrange to collect the **insured vehicle**. Repairs made by the **approved repairer** are guaranteed for three years. At your option you can arrange for a repairer of your choice to carry out the repairs. You must send us at least two detailed repair estimates and full details of the incident as soon as reasonably possible. We will only be liable for the repair costs at a non-approved repairer if we have agreed that the costs are reasonable and we have issued an authorisation to the repairer. We may need to inspect the vehicle. We reserve the right to ask you to obtain alternative estimates and we may not pay you more than the **approved repairer** would have charged them for the repair of the **insured vehicle**.

If parts required for repairing the **insured vehicle** are not available in any country contained within the **geographical limits** our liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom. We will not pay the cost of importing parts that are not available in any country contained within the **geographical limits**.

Section B - Loss of or Damage to the Insured Vehicle by Fire or Theft (continued)

We may at our option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to the **approved repairer's** guarantee. We will not pay the cost of any repair or replacement which improves the **insured vehicle** to a better condition than it was in before the loss or damage. If this does happen you must make a contribution towards the cost of repair or replacement. You may be required to contribute to the cost of replaced items such as exhausts or tyres.

Protection and Recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, we will pay:

- the cost of its protection and removal of the **insured vehicle** to the nearest approved repairer, competent repairer or nearest place of safety; and
- the cost of re-delivery after repairs to your home or business address, whichever is the most convenient, as owner of the **insured vehicle**.
- the cost of storage of the **insured vehicle** incurred with our written consent.

If the **insured vehicle** is damaged beyond economical repair we will arrange for it to be stored safely at premises of our choosing.

You should remove your personal belongings from the **insured vehicle** before it is collected from you. In the event of a claim being made under the policy we have the right to remove the **insured vehicle** to an alternative repairer, place of safety or make our own arrangements for re-delivery at any time in order to keep the cost of the claim to a minimum.

Guidance Notes - Finance or Lease Agreement

Finance or Lease agreement If your **insured vehicle** is the subject of a finance or lease agreement and your vehicle is deemed to be damaged beyond economic repair due to a covered loss under the policy the **market value/written down value** of your **insured vehicle** may not be sufficient to satisfy that agreement. We would recommend that you discuss any concerns that you may have with your insurance intermediary who may be able to supply you with details of products available to cover any shortfall.

In-vehicle entertainment, communication and navigation equipment

We will cover the cost of replacing or repairing the **insured vehicle's in-vehicle entertainment, communication and navigation equipment** up to the following amounts less the **excess** as shown on the **policy schedule**:

- Unlimited for equipment fitted as original equipment by the manufacturer; or
- £500 for the **insured vehicle's in-vehicle entertainment, communication and navigation equipment** not fitted by the manufacturer, provided it is permanently fitted to the **insured vehicle**.

Any amount payable in respect of **in-vehicle entertainment, communication and navigation equipment** will not exceed the value of the equipment at the time of the loss or damage after making a deduction for wear and tear.

Section B - Loss of or Damage to the Insured Vehicle by Fire or Theft (continued)

Guidance Notes - Preventing Crime

Don't give criminals an easy ride. Vehicle crime makes up 20% of all recorded crimes in the UK. Most thefts can be prevented - and it's in your interest and ours to take some simple precautions. Most things are common sense. Lock your vehicle and remove your ignition key/locking device when leaving it for even a short time e.g. at a petrol station or cashpoint machine.

Vehicle thieves often steal the keys first especially if the vehicle has an immobiliser and break into houses just to access keys to steal the vehicle. Always keep keys secure even inside your home (do not leave keys where a burglar can easily find them).

Keys and locking devices should always be kept in a safe and secure place - do not leave them on a wall hook, windowsill or in a jacket pocket close to the vehicle. Take appropriate measures to safeguard the vehicle when showing it to prospective purchasers.

Do not keep items such as the vehicle registration document, service book, MOT certificate or certificate of insurance in the vehicle and never leave any valuables on view in the vehicle. You should remove items such as CD players, Radios/MP3 players and portable satellite navigation equipment whenever possible.

Use good-quality locks and security devices.

Park in a secure place if you can. If you have a **garage**, use it and lock it!

Exceptions to Sections A & B

What is not covered

These sections of your insurance policy do not cover the following:

Section D - Provision of a Courtesy Van

This section applies only if the cover shown on your **policy schedule** is **Comprehensive**.

What is covered

If a valid claim is made under this policy, and the **insured vehicle** is to be repaired by one of our **approved repairers**, we will provide you with a **courtesy van** (subject to availability) for a period not exceeding 14 days or for the duration of the repairs whichever occurs first.

If the parts required to repair the **insured vehicle** are not immediately available to our approved repairer we reserve the right to withhold the provision of a **courtesy van** until such time as the necessary parts are available and repair work can proceed.

If the **insured vehicle** is accepted by our approved repairer as being a repairable proposition, but it is subsequently deemed by us to be beyond economical repair, we reserve the right to withdraw the **courtesy van** immediately.

The **courtesy van** can only be provided subject to availability and will be supplied subject to our **approved repairer's** standard terms and conditions, for use in any country contained within the **geographical limits** only. Our aim is to keep you mobile rather than the **courtesy van** being a replacement for the **insured vehicle** in terms of status, performance or suitability for your normal business activities. Typically the vehicle supplied by our approved repairer will be a car derived van or similar.

While you are in possession of the **courtesy van** for the period not exceeding 14 days or the period during which the **insured vehicle** is being repaired, whichever occurs first, cover for loss of or damage to the **courtesy van** will be provided by this policy in accordance with its terms, **endorsements** and conditions, including excesses for which you will be responsible. We will not make a charge for this cover.

Any accidents or losses while you are in possession of the courtesy van must be reported to us immediately, and may affect your No Claim Discount.

Driving of the **courtesy van** will be limited solely to those persons named on your **Certificate of Motor Insurance**. The cover provided by this policy will apply whilst the **courtesy van** is being used for the purposes described on the **Certificate of Motor Insurance** although further use limitations may apply under the **approved repairer's** standard terms and conditions relating to the supply of the **courtesy van**.

You are not required to inform us when you are supplied with a **courtesy van** from our **approved repairer**.

You must return the **courtesy van** to our **approved repairer** either when we ask you to do so or if this insurance falls due for renewal and you fail to renew it with us.

Section E - Personal Accident Benefits

If you choose to use your own supplier then cover will be limited to £100 after deducting any glass **excess** as shown in your **policy schedule**.

We may at our option use parts that have not been supplied by the original manufacturer. If you insist that we use parts supplied by the original manufacturer even though alternative non-original manufacturer parts are available you will be required to pay us any difference in the cost of such parts.

If an incident occurs involving the breakage of multiple items of glass we will only pay for one piece of glass under this section of the policy. Alternatively the damage can be claimed for under either Section A or B of the policy and the **excess** applicable to that section of the policy will apply and your no claim discount will be affected. A claim solely under this section will not affect your no claim discount.

We will not pay for:

- The glass **excess** shown in your **policy schedule** where the glass is replaced. Any claim for repair will not be subject to payment of an **excess**.

Section J - Foreign Use of the Insured Vehicle

What is covered

We will provide the cover shown on your **policy schedule** for up to 30 days in any **period of insurance** while you are using the **insured vehicle** within the countries referred to below.

Outside of the 30 day cover shown above we will provide you with the minimum cover required by law while you or any driver covered by this policy are using the **insured vehicle** within the European Union and any other country which has agreed to follow the EU Directive on Insurance of Civil Liabilities arising from the use of motor vehicles (number 2009/103/EC).

You do not need an International Motor Insurance Card (Green Card) for visits to these countries as the legal evidence of this cover is shown on your **Certificate of Motor Insurance**. Further information on the countries that follow the EU Directive can be found by visiting www.mib.org.uk

The provision of the cover shown on your **policy schedule** whilst you are abroad is only agreed on the understanding that:

- The **insured vehicle** is taxed and registered within the **geographical limits**; and
- Your main permanent home is within the **geographical limits**; and
- Your visit abroad is only temporary; and
- You tell your **insurance intermediary** before you leave; and
- You pay any additional premium we ask for.
- We may agree to extend the cover for more than 30 days as long as you:
 - Tell your **insurance intermediary** before you leave
 - Pay any additional premium due.

If we agree to your request we may issue you with an International Motor Insurance Card (Green Card) as legal evidence of this cover.

The insurer will also pay customs duty if the **insured vehicle** suffers loss or damage and we decide not to return it after a valid claim on the policy.

Cover also applies while the **insured vehicle** is being carried between sea or air ports or railway stations within these countries, as long as this travel is by a recognised sea, air or rail route.

Section J - Foreign Use of the Insured Vehicle (continued)

Guidance Notes - Going Abroad

The policy does not automatically provide full cover abroad so, before travelling, please contact your **insurance intermediary** to arrange cover. The extended full insurance will then cover you in the countries for which we have agreed to provide cover and when your vehicle is travelling by rail or sea between those countries.

Unless you notify your **insurance intermediary** in advance of a trip abroad, the cover may be limited to the minimum cover you need under the law of the relevant country (EU minimum insurance). This minimum insurance will not provide any cover for damage to or theft of your **insured vehicle**.

Take your certificate as evidence of insurance when you travel abroad.

If your **insured vehicle** suffers any loss or damage that is covered by this insurance and the **insured vehicle** is in a country where you have cover, we will refund any customs duty you pay to temporarily import your **insured vehicle**.

Although full policy cover abroad is automatically available for up to 30 days in any one annual **period of insurance** we may, on request, agree to extend cover up to a maximum of 90 days. A charge may apply. Please contact your intermediary for further information.

We will only consider extending this insurance to countries which are covered by the International Green Card system. If you are involved in any accident or incident whilst abroad please call the 24 hour Claims Helpline using the international dialling code for the UK: [0044 344 873 8183](tel:00443448738183)

Section K - No Claim Discount

If you do make a claim during the **period of insurance** your no claim discount will be reduced at the next renewal date in accordance with the scale shown below. The following will not affect your no claims discount:

- Payments made under Section H - Glass damage.
- A successful claim made under Section M - Uninsured driver and vandalism promise
- If we only have to pay for an emergency treatment fee.
- If we make a full recovery of all payments made by us in connection with a claim made against the policy.

If you make a claim or if a claim is made against you for an event which you may not consider to be your fault and we have to make a payment this will affect your No Claim Discount unless we can recover our outlay in full from the responsible party.

If you decide to cancel your policy and premiums remain outstanding we will not be able to issue proof of No Claim Discount until the outstanding premiums are paid.

You cannot transfer your No Claim Discount to somebody else.

Guidance Notes – No Claim Discount

There may on occasions be incidents (possibly involving a cyclist or pedestrian) where, although you are not claiming for damage to your vehicle, there is a potential for a claim against your policy by the **third party**.

In these circumstances we may disallow your No Claim Discount for up to twelve months until we are confident that a **third party** claim is unlikely to materialise.

Section L - Protected No Claim Discount

Depending on certain qualifying conditions you may be able to protect your no-claim bonus if you pay an extra premium. Your no-claim bonus is only protected if this is shown on your schedule.

If your no-claim bonus is protected we will not reduce it if you do not make more than two claims during any three years of insurance. If three or more claims are made during any three-year period, we will reduce the discount you receive.

It does not mean that your premium will not be increased if, for example, your accident or conviction record justifies this.

Section M - Uninsured Driver and Vandalism promise

This section applies only if the cover shown on your **policy schedule** is Comprehensive.

Uninsured driver promise

If the **insured vehicle** is involved in an accident that was not your fault or that of the driver of the **insured vehicle** and caused by an uninsured motorist we will refund the cost of your **excess** and restore your No Claim Discount.

We will need:

- The vehicle registration and the make/ model of the **third party** vehicle
- The responsible driver's details, if possible.

It also helps us to confirm who is at fault if you can get the names and addresses of any independent witnesses, if available. When you claim, you may have to pay your **excess**. Also, if when your renewal is due, investigations are still ongoing, you may lose your No Claim Discount temporarily. However, once we confirm that the accident was the fault of the uninsured driver, we will repay your **excess**, restore your No Claim Discount and refund any extra premium you have paid.

Vandalism promise

This section applies only if the cover shown on your **policy schedule** is Comprehensive.

If you make a claim for damage to your **insured vehicle** that is a result of vandalism, which is damage caused by a malicious and deliberate act, you will not lose your No Claim Discount.

Conditions

- You pay any Accidental Damage **excess** that is applicable. Please refer to your **policy schedule** for **excess** amounts
- The incident is reported to the police and assigned a crime reference number
- The damage has not been caused by another vehicle.

When you claim you will have to pay the **excess**. Once we receive your claim, you may lose your No Claim Discount, until we are supplied with a relevant crime reference number.

What is covered

- Alternative travel expenses for you and all occupants of the **insured vehicle** to reach your destination; or
- Emergency overnight accommodation for you and all occupants of the insured vehicle when an unplanned overnight stay is necessary.

What is not covered

- More than £500 per incident
- Reimbursement for the purchase of any drinks, meals, clothing, toiletries, newspapers or telephone calls
- Any additional costs incurred for the transportation of any goods carried within the **insured vehicle**
- Coverage outside the territorial limits of your policy.

What is covered

If you have a child car seat fitted to your **insured vehicle** and your **insured vehicle** is involved in an incident where the damage to the **insured vehicle** is covered by this policy we will cover you for the cost of replacing the child car seat with a new one of a similar standard, even if there is no apparent damage, provided you are able to supply a copy of the original purchase receipt for the car seat.

You must tell us via your **insurance intermediary** immediately of any change to that information, some examples are any changes to the **insured vehicle** which improve its value, attractiveness to thieves, performance or handling, any change of car, change of occupation (including part-time), change of address (including where car is kept), change of drivers, if you or any drivers pass your driving test or sustain a motoring or non- motoring conviction or there is a change of main driver.

If your premium has been calculated on a limited annual mileage basis we will seek evidence at the time of a claim to prove that your estimated annual mileage has not been exceeded. If you fail to supply appropriate evidence or evidence is provided by you which shows that the estimated annual mileage has been exceeded you will be required to pay the additional amount of **excess** shown on the endorsement applying to your policy.

Under the Consumer Insurance (Disclosure and Representations) Act 2012 your failure to take reasonable care to avoid misrepresentation in relation to the information provided could result in your policy being cancelled or your claim being rejected or not fully paid.

If you or anyone acting on your behalf knowingly commit a fraudulent act or submit a fraudulent document or make a fraudulent statement or exaggerate any claim made under the policy, we will not pay the claim and cover under this and all other insurances currently in force with us with which you are connected will cease immediately. You will not be entitled to any refund of premium under any policy.

2. Looking after your car

You or any permitted drivers are required to maintain the **insured vehicle** in a roadworthy condition. You or any person in charge of the **insured vehicle** are required to take all reasonable care to safeguard it and its contents from loss or damage, for example the car should not be left unlocked.

We shall at all times be allowed free access to examine the **insured vehicle**.

3. Having an MOT certificate

There must be a valid Department for Transport test certificate (MOT) in force for the **insured vehicle** if one is needed by law. In the absence of a valid Department for Transport test certificate (MOT) all cover under sections A and B of this insurance is cancelled and of no effect.

General Conditions (continued)

4. Accidents or losses

In the event of an accident or incident likely to give rise to a claim which is covered under the policy, you must as soon as possible telephone the 24 hour Claims Helpline (this must be within 24 hours of the incident occurring). Please also refer to Page 4 of this policy booklet 'What to do in the Event of an Accident' for further guidance.

If the loss or damage is covered under the policy, the Claims Helpline operator will make arrangements to remove the **insured vehicle** to the nearest **approved repairer**, competent repairer or place of safety, and safeguard the **insured vehicle** and its contents.

We will not pay for further damage to the **insured vehicle** if you drive it or attempt to drive it in a damaged condition.

If your claim is due to theft, attempted theft, malicious damage or vandalism, you must also notify the police within 24 hours of discovery of the loss or as near as practical and obtain a crime report number.

If the **insured vehicle** is stolen and is no longer under your control we will remove it from the Motor Insurance Database (MID) until such time as it is recovered.

Important: If you are advised that your stolen vehicle has been recovered following its theft and it is roadworthy, it is important that you notify your insurance intermediary immediately and before you drive the vehicle, so that we can reinstate it onto the Motor Insurance Database otherwise you run the risk of being stopped by the police as they may suspect the vehicle is not insured.

We have the right to remove the **insured vehicle** at any time to keep claims costs to a minimum. If the **insured vehicle** is damaged beyond economical repair we will arrange for it to be stored safely at premises of our choosing.

If we ask to examine driving licences and vehicle documentation before agreeing to settle a claim under this policy you must supply this documentation before we can proceed with the settlement.

Any indication of a claim against you must be notified to us as soon as possible. Any writ, or notification of civil or criminal proceedings should be sent to us by recorded delivery immediately.

We shall be entitled to take over and conduct the defence or settlement of any claim or prosecute any claim in the name of any person covered by this insurance.

5. Claims procedures

No admission of liability, payment or promise of payment shall be made or given by you or any person on your behalf. No proceedings may be commenced against, or settlement accepted from, any other party without our written consent.

We shall have discretion in the conduct of any proceedings or in the settlement of any claim.

You must give us whatever co-operation, information and assistance we require in dealing with any claim under this policy.

If there is any other insurance in force which covers the same loss, damage or liability as this insurance, we will only pay our proportionate share of the claim.

6. Cancellation

Cancelling the policy within the reflection period

This insurance provides you with a reflection period to decide whether you wish to continue with the full policy. The reflection period is for 14 days from the date cover commences or the date you receive your policy documentation.

General Conditions (continued)

If a period of less than 14 days has elapsed since you received your policy documentation, and you have not made a total loss claim, you have the right to cancel the policy and receive a refund of premium:

- If at the date of cancellation your policy has not yet commenced you will receive a full refund from us; or
- If your policy has already commenced, we will refund the premium relating to the remaining **period of insurance** calculated on a proportionate basis dependent on the number of days left to run under the policy less a charge of £25 plus Insurance Premium Tax if applicable to cover our administration costs.

Cancelling the policy after the reflection period

Cancellation by you

You or your **Insurance Intermediary** can cancel this policy either from the date we are notified, in writing, or a later date as requested by you. Providing no claims have been made (or likely to be made) in the current **period of insurance**, we will charge a premium in accordance with our cancellation scale shown below and no more than a £50 administration fee plus IPT. Your **insurance intermediary** may also charge a fee sufficient to cover their costs. The cancellation will take effect from the date requested and the MID updated.

Cancellation by us

We can cancel this policy at any time if there are serious grounds to do so, including but not limited to the following examples:

- where your **insurance intermediary** has been unable to collect a premium payment (payment terms including the procedures in the event of non-payment of the premium will have been agreed between you and your **insurance intermediary** when you took out this policy); or
- you have failed to take reasonable care in providing information in relation to this insurance as required by General Condition 1 of this policy; or
- you have failed to supply requested validation documentation (evidence of No Claim Discount, copy driving licence, etc.); or
- you have failed to co-operate or provide information and assistance in relation to any claim under this policy or with regards to the administration or operation of this policy; or

- where you fail to maintain the **insured vehicle** in a roadworthy condition or you fail to look after it in accordance with General Conditions 2 and 3 of this policy; or
- where we have grounds to suspect fraud or misrepresentation; or
- where you use threatening or abusive behaviour towards a member of our staff or a member of staff of your **insurance intermediary** or our supplier.

We will do this by giving you 7 days' notice in writing to your last address notified to us. Your last notified address may include an email address nominated by you to accept correspondence.

We will refund the premium relating to the remaining **period of insurance** calculated on a proportionate basis dependent on the number of days left to run under the policy less an administration fee of no more than £50 plus Insurance Premium Tax if applicable to take into account our costs in providing your policy. The pro rata refund of premium (less the administration fee) is only available as long as:

- the **insured vehicle** has not been the subject of a total loss claim (i.e. written-off or stolen and not recovered); and/or
- cancellation is not due to any fraudulent act by you or anyone acting on your behalf.

We also reserve the right to retain all premium paid for the current **period of insurance** in the event that a claim has been made against the policy during this period until such time as we recover any monies paid out by us.

Non-payment of premium

In the event that there has been a loss or incident likely to give rise to a claim during the current **period of insurance** and premium amounts are outstanding we may at our discretion reduce any claims payment by the amount of outstanding or overdue premiums that you owe us and/or your **insurance intermediary**.

Guidance Notes - Policy Cancellation

Please note that any refund from us whether during or after the reflection period may be subject to a further charge levied by your **insurance intermediary**. Any charges levied by your **insurance intermediary** will be in accordance with the terms and conditions agreed between you and them at the time you arranged this insurance.

7. Total losses and stolen vehicles

If as a result of a claim the **insured vehicle** is determined to be a total loss or your vehicle has been stolen and not recovered, this policy will be cancelled without refund of premium unless you change your vehicle to another that would normally be acceptable to us or the stolen vehicle is recovered and is not a total loss. In the event of the policy being cancelled due to the **insured vehicle** being a total loss or stolen and not recovered, and there being no replacement vehicle to insure (or if there is a replacement vehicle to insure which is unacceptable to us), all outstanding or overdue premiums, including any administration charge due, must be paid immediately. We may at our discretion reduce the claims payment by the amount of outstanding or overdue premiums that you owe us and/or your **insurance intermediary**.

General Conditions (continued)

8. Right of recovery

If under the laws of any country in which this insurance applies, we have to make payments which but for those laws would not be covered by this policy, you must repay the amounts to us. You or the person who caused the accident must also repay us any money we have to pay because of any agreement we have with the Motor Insurers' Bureau. Any payment we have to make because we are required to do so by compulsory insurance law or an agreement with the Motor Insurers' Bureau will prejudice your No Claim Discount and will also mean that there will be no entitlement to a return of premium if the policy is cancelled or declared void.

9. Vehicle sharing

This policy allows you to carry passengers for social or similar purposes and your receipt of a mileage allowance or a payment by a passenger towards the cost of fuel will not invalidate cover as long as:

- you do not make a profit from the vehicle sharing arrangement; and
- your **insured vehicle** is not adapted to carry more than eight people (including the driver); and
- you are not carrying passengers as customers of a passenger-carrying business.

10. Fraudulent claims

If:

- (i) You make a claim that is false, fraudulent or deliberately exaggerated; or
- (ii) You have made a false declaration or statement in support of any such claim;

We can at our sole discretion:

1. Deny the claim in its entirety and will not pay any legitimate part of Your claim;
2. Recover any payment already made under the claim;
3. Cancel the policy with effect from the date you made the false claim or representations without returning your premium.

11. Tax and registration

Your **insured vehicle** must be taxed where applicable and registered within the **geographical limits**.

Searches may be carried out prior to your policy commencing and at any point during your insurance policy including any mid-term adjustment and renewal stage.
