Regardless of blame these measures will help to protect **you**:

- Stop as soon as possible, in a safe place. If anybody has been injured, call the police and ambulance service immediately. If **you** have a warning triangle, place it well before the obstruction.
- **You** can download the Pukka App, called "**Pukka Insure**", on **your** smartphone or Android device. **We** also recommend **you** take photos in the event of an incident or as an alternative, keep a pen and paper in the **insured vehicle**, so **you** can then make a quick sketch of the direction and final position of each vehicle. Write down the name, address and vehicle registration number of the other driver(s). Please also make a note of the number of passengers in each vehicle. If the police attend the scene please write down the officer's name, number and police force. If **you** have a mobile phone with **you**, try and take photographs to support the positions of the vehicles and the extent of damage. This information will help **us** in dealing with **your** claim.
- **You** should obtain the insurance details of all drivers and **you** must give **your** own insurance to anyone who has reasonable grounds for requesting them. It is most important to obtain details of all witnesses. If any CCTV recordings apply, please ensure these are requested immediately in order to avoid deletion of the same. **Do not admit responsibility for the incident, or liability, either verbally or in writing.**
- If for any reason **you** have not been able to exchange details with other drivers, or **you** were in collision with an animal (which includes a dog, horse, cattle, pig, goat, sheep, donkey or

mule), **you** must report the incident to the police as soon as possible and certainly within 24 hours.

- **You** can find out who the insurer is of any other vehicle involved in the accident by using the askMID.com Roadside service created to assist victims of accidents check the insurance details of the other parties involved at the roadside.

If you report an accident or incident within 24 hours of the time of the incident, via the Pukka App, your compulsory excess will be reduced by £150 (excluding glass/windscreen claims). If you fail to report an accident or incident that may lead to a claim within 24 hours via the Pukka App you will become liable to pay your compulsory excess in full as shown on your schedule.

You will have to pay the **excess** shown within this policy – this amount is **your** responsibility.

Refer to **your** policy **schedule**.

In order to ensure **we** deal with **your** claim efficiently, **you** will need to provide **us** with as much information as possible. **You** and any person covered by this **motor policy** must fully cooperate with **us** and give **us** all the information and documentation **we** need, including, but not limited to:

- report the **theft** to **your** nearest police station;
- obtain a crime reference number from the police.

If **you** fail to tell **us** or **you** delay telling **us** about an accident or incident that may lead to a claim and this increases **our** claim costs, **you** will become liable to pay the additional costs. It may also invalidate **your** right to claim.

We will deal with **your** claim and claims made against **you**, as quickly and fairly as possible. Please read the general terms and conditions in this policy wording.

NOTIFICATION OF CHANGES WHICH MAY AFFECT YOUR INSURANCE

You should keep a complete record of all information (including copies of letters) supplied to **us** in taking out this insurance.

So that **you** understand what **you** are covered for, please read this policy wording, the **schedule** (which may make reference to **endorsements**) and the **certificate of motor insurance** very carefully. **You** should pay special attention to the general exceptions and general terms and conditions of this policy wording.

If **you** have any questions, or the cover does not meet **your** needs or any of the details are incorrect **you** should contact **your insurance intermediary** immediately.

Consumer Insurance (Disclosure and Representations) Act 2012 and The Insurance Act 2015

You are required by the provisions of the above Acts to take care to supply accurate and complete answers to all the questions **you** were asked at the time of insuring with **us**. It is important that **you** check **your** records for the information **you** have provided and notify **us** immediately of any changes or inaccuracies in these details. Failure to provide accurate and complete information to the best of **your** knowledge may result in increased premiums, refusal of a claim or **your** policy being cancelled and may affect **your** ability to gain insurance from other insurers.

You are required to update **us** with any changes to the information **you** provided at the time **you** asked **us** to insure **you**. When **you** tell **us** about these changes, **we** may adjust the premium. If **you** do not tell **us** about these changes or inaccuracies, this may result in refusal of a claim or **your** policy being cancelled and may affect **your** ability to gain insurance from other insurers. The changes **you** are required to notify **us** of include the following:

- a change of vehicle, or **you** purchase another vehicle to which **you** want cover to apply;
- **you** wish a new driver to be covered, or there is a change in the main driver of the **insured vehicle**;
- if **your** driving licence number changes or if any driver insured under this policy has their driving licence revoked, either temporarily or permanently;
- someone who drives the **insured vehicle** received a motoring or a fixed penalty notice, has a pending prosecution or has a claim on another policy;
- someone who drives the **insured vehicle** received a non motoring conviction that are not considered spent. A spent conviction is one that, under the terms of the Rehabilitation of Offenders Act 1974, can be effectively ignored after a specified amount of time. If, however, someone has received a prison sentence of more than four years, the conviction will never be spent;
- someone who drives the **insured vehicle** suffers from a medical or physical condition or disability that **you** or any insured drivers need to tell the DVLA/DVANI about, including any **you** haven't told them about yet;
- the **insured vehicle** is changed or modified from the manufacturer's standard specification or **you** intend to change or modify it (including the addition of optional-fit accessories such as spoilers, skirts, alloy wheels, etc.);
- a change of occupation (full or part-time) by **you** or any other driver;
- **you** change **your** address or the address where the **insured vehicle** is normally kept;
- a change in the use of the **insured vehicle**;
- if **you** have sold the **insured vehicle**;
- if the **insured vehicle** is likely to exceed the annual mileage declared at the commencement of the policy for which **you** may have received a premium discount;

- if **you** or any driver of the **insured vehicle** are involved in an accident or incident with another party, no matter how trivial, and even if **you** do not wish to submit a claim and regardless of blame.

This is not a full list and if **you** are in any doubt, **you** should advise **your insurance intermediary** for **your** own protection. If **you** do not tell **us** about the changes, **your** insurance may not cover **you** fully or at all.

When **you** inform **us** of a change **we** will tell **you** if this affects **your** policy, for example whether **we** are able to accept the change and if so, whether the change will result in revised terms and/or premium being applied to **your** policy.

How we will deal with claims to comply with the Consumer Insurance (Disclosure and Representations) Act 2012 and The Insurance Act 2015

Claims where **you** have not disclosed or **you** have misrepresented but **we** deem this was not deliberate or reckless:

- Where additional terms would have been imposed by **us** (other than terms relating to premium), **we** will consider the insurance contract on the basis that those different terms had applied from the date of the breach of duty;
- Where **we** would not have entered into the insurance contract at all **we** can treat the insurance as void and cancel **your** policy as if it never existed from inception and refuse to pay all claims;
- **We** will return the premium **you** have paid to **us** unless there is another reason why **we** should retain it. See Cancellation Section of **your** policy.

Claims where **we** deem the misrepresentation or non-disclosure to be deliberate or reckless:

- **We** will have the option to treat the insurance as void (**we** can cancel **your** policy from inception and treat the insurance as though it had never existed);
- **We** can retain the full premium even if **you** have not paid **us** the premium in full **we** shall be entitled to collect it from **you**.

Fraudulent claims

We will not pay claims where **you** have committed fraud in relation to a claim on this policy. **We** may also cancel the policy and any other policies **you** have with **us**, from the date the fraud occurred.

We may also choose not to refund the premium on the basis of fraud, this will depend on the specific circumstances of the claim.

It is important that you check your records for the information you have provided and notify us immediately of any changes to these details. Failure to provide accurate and complete information to the best of your knowledge may result in increased premiums, refusal of a claim or your policy being cancelled.

Insurance administration

The information that **you** give to **us** will be used by **us** and **your insurance intermediary** and anybody appointed by **us** or them for the purposes of administering **your** insurance or a claim. It may be disclosed to reinsurers and to regulatory authorities for the purposes of monitoring **our** or **your insurance intermediary’s** compliance with regulatory requirements.

Where this happens **we** will ensure that anyone to whom **we** send **your** information agrees to treat it with the same level of protection as if **we** were dealing with it.

We and **your insurance intermediary** may undertake checks against publicly available information (such as electoral roll, county court judgements, bankruptcy orders or repossessions). These checks may be made when **you** take out insurance with **us** or if **you** make a claim and the information shared with anyone acting on **our** behalf to administer **your** insurance or a claim (e.g. loss adjusters or investigators).

Credit searches

To help **us** prevent fraud and to check **your** identity, **we** and **your insurance intermediary** may search files made available to **us** by credit reference agencies, who may keep a record on that search.

The legal basis for processing your data

The legal basis for processing **your** basic personal data as described above is the necessity for the performance of a contract of insurance between **you** and **us**, and in some cases for **us** to comply with a legal obligation, or in our legitimate interests.

The legal basis for processing **your** sensitive personal data as described above is substantial public interest, or where we deal with legal claims.

How we will use your data

Insurance underwriting purposes i.e. to examine the potential risk in relation to **your** (and/or a third party's) prospective policy so that **we** can:

- consider whether to accept the relevant risk;
- make decisions about the provision and administration of insurance and related services for **you** (and members of **your** household);
- validate **your** claims history (or the claims history of any person or property likely to be involved in the policy or claim) at any time, including upon application for insurance, in the event of an accident or a claim, or at a time of renewal.

Management information purposes i.e. to analyse insurance and other markets for the purposes of:

- portfolio assessment;
- risk assessment;
- performance reporting;
- management reporting.

Anti - fraud purposes i.e. to detect and prevent fraudulent claims and/or activities by:

The personal information **we** have collected from **you** will be shared with fraud prevention agencies who will use it to prevent fraud and money-laundering and to verify **your** identity. If fraud is detected, **you** could be refused certain services, finance or employment. Further details of how **your** information will be used by **us** and these fraud prevention agencies, and **your** data protection rights, can be requested from **us** by contacting compliance@pukka.gi.

In the event of a claim **we** may need to disclose information with any other party involved in that claim such as third parties involved in the incident, their insurer, solicitor or representative and medical teams, the police or other investigators. **We** also may have to investigate **your** claims and conviction history.

Motor Insurance Database

Information relating to **your** insurance policy will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes including but not limited to:

- (a) Electronic Licensing;
- (b) Continuous Insurance Enforcement;
- (c) Law enforcement (prevention, detection, apprehension and or prosecution of offenders);
- (d) The provision of government services and or other services aimed at reducing the level and incidence of uninsured driving;
- (e) If **you** are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and or the MIB may search the MID to obtain relevant information;

- **you** can find out more about the MID by visiting the MIB web site at www.mib.org.uk;

DVLA – MyLicence

The "MyLicence" programme gives insurers access to accurate data from the Driver and Vehicle Licensing Agency ("DVLA") on motoring entitlements, convictions, and penalty points when providing quotes for insurance policies.

1. Insurance underwriting purposes:

MyLicence is used for insurance underwriting purposes i.e. to examine the potential risk in relation to **your** (and/or a third party's) prospective policy so that **we** can:

- Provide **your** (or any person included on the **statement of fact**) Driving Licence Number ("DLN") to the DVLA to confirm **your** (or the relevant person included on **your**

application for insurance), licence status, entitlement and relevant restriction information and endorsement/conviction data. Searches may be carried out prior to the date of the insurance policy and at any point throughout the duration of **your** insurance policy including at the mid-term adjustment and renewal stage. A search of the DLN with DVLA should not show a footprint against **your** (or another relevant person included on the **statement of fact**) driving licence.

- Search **your** (or any person included on the **statement of fact**) no claim discount details against a No Claim Discount Database (“NCD”) to obtain information in relation to **your** no claim discount entitlement. Such searches may be carried out against **your** (or the relevant person included on the **statement of fact**) driving licence.
- Searches may be carried out at a point of quote and if an insurance policy is accepted at the renewal stage.

2. Anti-fraud purposes:

- Undertaking searches against **your** (or any person included on the **statement of fact**) DLN against details held by the DVLA to confirm **your** licence status, entitlement and restriction information and endorsement/conviction data. This helps insurers check information to prevent fraud and reduce incidence of negligent misinterpretation and non-disclosure. A search of the DLN with the DVLA should not show a footprint against **your** (or any person included on the **statement of fact**) driving licence.

Your personal data will not be used for marketing. It will only be shared with organisations involved with the administration of **your** insurance policy or as otherwise set out in this Data Protection Notice.

We will pass details of **your** no claim discount to certain organisations to be recorded on the NCD Database. This will occur if information required updating or correcting at any stage, and also at the renewal stage of **your** policy and upon or after the cancellation of **your** policy prior to the expiry date.

For details relating to information held about **you** by the Driver and Vehicle Licensing Agency (“DVLA”) please visit www.dvla.gov.uk.

How long we keep your data

We are required under **United Kingdom** law to keep **your** basic personal data (name, address, contact details) for a minimum of seven years after which time it will be destroyed.

Fraud prevention, detection and claims history

Under the conditions of **your** policy **you** must tell **us** about any insurance related (such as accidents, **fire**, water damage, **theft**, etc.) whether or not they give rise to a claim. When **you** tell **us** about an incident **we** will pass information relating to it to industry databases.

We may search these databases when **you** apply for insurance, in the event of any incident or claim, or at the time of renewal to validate **your** claims history or that of any other person or property likely to be involved in the policy or claim.

In order to prevent and detect fraud **we** may at any time:

- share information about **you** with other organisations and public bodies including the police;
- check and/or file **your** details with fraud prevention agencies and databases, and if **you** give **us** false or inaccurate information and **we** suspect fraud, **we** will record this.

We and other organisations may also search these agencies and databases to:

- help make decisions about the provision or administration of insurance, credit and related services for **you** and members of **your** household;
 - trace debtors or beneficiaries, recover debt, prevent fraud and to manage **your** accounts or insurance policies;
 - check **your** identity to prevent money laundering, unless **you** furnish **us** with other satisfactory proof of identity;
- undertake credit searches and additional fraud searches.

We process **your** personal data on the basis that **we** have a legitimate interest in preventing fraud and money laundering, and to verify identity, in order to protect **our** business and to comply with laws that apply to **us**. Such processing is also a contractual requirement of the services or financing **you** have requested.

We also process **your** sensitive personal data on the basis that it is necessary in the substantial public interest for **us** to prevent fraud and money laundering, and to verify identity, in order to protect ourselves and to comply with laws that apply to **us**.

Fraud prevention agencies can hold your personal data for different periods of time, and if **you** are considered to pose a fraud or money laundering risk, your data can be held for up to seven years.

Automated decisions

As part of the processing of **your** personal data, decisions may be made by automated means. This means **we** may automatically decide that **you** pose a fraud or money laundering risk if **our** processing reveals **your** behaviour to be consistent with money laundering or known fraudulent conduct, or is inconsistent with **your** previous submissions, or **you** appear to have deliberately hidden **your** true identity. **You** have rights in relation to automated decision making: if **you** want to know more please contact **us** using the details above.

Consequences of processing

If **we**, or a fraud prevention agency, determine that **you** pose a fraud or money laundering risk, **we** may refuse to provide the services or **we** may stop providing existing services to **you**.

A record of any fraud or money laundering risk will be retained by the fraud prevention agencies, and may result in others refusing to provide services to **you**. If **you** have any questions about this, please contact **us** on the details above.

Data transfers

Whenever fraud prevention agencies transfer your personal data outside of the European Economic Area, they impose contractual obligations on the recipients of that data to protect **your** personal data to the standard required in the European Economic Area. They may also require the recipient to subscribe to 'international frameworks' intended to enable secure data sharing.

Insurance agencies and databases

We pass information to the Claims and Underwriting Exchange Register (CUE) and the Motor Insurers' Anti-Fraud and Theft Register (MIAFTR), run by the Motor Insurance Bureau (MIB). The aim is to help **us** to check information provided by **you** and also to prevent fraudulent claims. These registers may be searched in considering any application of insurance in connection with this policy. **We** will pass any information relating to any incident (such as an accident or **theft**), which may or may not give rise to a claim under this policy and which **you** have to notify **us** of in accordance with the terms and conditions of this policy, to the relevant registers.

Insurers

We may pass information about **you** and this policy to insurance companies with which **we** either reinsure **our** business or who are dealing with a claim made under this policy. In addition, information may be passed to other insurance related organisations in common with industry practice. These companies will usually be located in countries inside the European Economic Area ("EEA"). Where information is passed to companies outside of the EEA, **we** will make sure they comply with the same standards of data security as though they were located inside the EEA.

Your rights and your personal data

Under the GDPR, **you** have the following rights with respect to **your** personal data:

You are entitled to receive a copy of the information **we** hold about **you**. A request for personal data is free, unless the request is manifestly unfounded or excessive, in which case a reasonable fee may be charged.

We want to make sure that **your** personal data is accurate and up to date. **You** are entitled to rectify any inaccurate personal data held by **us**. **You** have a right to request that **your** personal data held by **us** is erased, subject to meeting certain criteria. If **you** would like to find out more details, please write to **us** at the contact details provided below.

You have the right to restrict or object to processing **your** data. Please note that this may result in the cancellation of **your** policy where **we** feel **your** data is necessary for the performance of **your** insurance contract with **us**.

Please be reassured that **we** will not make **your** personal details available to any companies other than those to provide services relating to **your** insurance with **us**.

You have the right to data portability. This right allows **you** to obtain the information previously provided to **us**, in a structured, commonly used and machine-readable format and have the right to transmit that data to another controller without hindrance from **us**.

You have the right to object, on grounds relating to **your** particular situation at any time to processing **your** personal data.

You have the right to object to direct marketing at any time to the processing of **your** personal data.

POLICY COVER

The level of cover provided by this insurance is shown on **your schedule**. The sections of this motor insurance policy wording that apply for each level of cover are shown below. Cover is subject to any **endorsement(s)** shown on **your schedule**.

Comprehensive Cover All sections apply

Third Party Fire and Theft Cover Sections 1, 3 and 5 apply

The general exceptions and general terms and conditions of this motor insurance policy apply to all of the above levels of cover.

SECTION 1 - LIABILITY TO OTHER PEOPLE

Use of the insured vehicle

We will cover the categories of people listed below for their legal liability for death, bodily injury or damage to property arising out of the use of the **insured vehicle**.

You, and:

- any person permitted to drive **the insured vehicle** under the **certificate of motor insurance** who is driving with **your** permission;
- any passenger in the **insured vehicle**;
- any person using (but not driving) the **insured vehicle** for social domestic and pleasure purposes with **your** permission;
- **your** employer or business partner in the event of an accident occurring while the **insured vehicle** is being used for the business of **your** employer or business partner as long as **your certificate of motor insurance** allows such business use; and
- the legal representatives of any person who would have been covered under this section.

Third party property damage limit

The cover provided for damage to property is limited to £2,000,000 in respect of any one occurrence or series of occurrences arising out of one event. This limit is inclusive of all legal costs and expenses arising from loss of or damage to other people's property.

Legal defence costs

If **we** give **you** written permission beforehand, **we** will pay:

- solicitors fees for representing **you** at any fatal accident enquiry, Coroner's, Magistrates or similar court;
- the reasonable cost of legal services to defend **you** against a charge of manslaughter or causing death by careless or inconsiderate driving or dangerous or reckless driving.

We will only pay the legal representation costs incurred in defending **you**, following any third party claims made against **you** and only if they arise from an accident that is covered under this insurance.

Emergency Medical Treatment

We will pay emergency medical treatment charges required by the **Road Traffic Acts**. If this is the only payment **we** make, it will not affect **your** no claim discount.

Vehicle sharing

This policy will also allow **you** to carry passengers for social, domestic, pleasure and commuting purposes and, if included in **your policy schedule**, **you** are also covered for business purposes. **You** may receive a mileage allowance or a payment by a passenger towards the cost of fuel. This will not invalidate cover as long as:

- **you** do not make a profit from the vehicle sharing arrangement; and
- the **insured vehicle** is not adapted to carry more than 7 people (including the driver); and
- **you** are not carrying passengers as customers of a passenger-carrying business.

Exceptions to Section 1:

We shall not be liable:

- if the person claiming is otherwise insured;
- for loss or damage to property belonging to or injury to animals owned by or held in trust, custody or control or in the care of any person insured under this section or for not being able to use any such property;
- any amount exceeding £2,000,000 for any one occurrence or series of occurrences arising out of one event. This limit is inclusive of all legal costs and expenses arising from loss of or damage to other people's property;
- for damage to property inside the **insured vehicle** or for not being able to use any such property as a result of having been inside the **insured vehicle**;
- for loss or damage to any trailer or caravan being towed by the **insured vehicle** or for not being able to use any such trailer or caravan;
- if death of or bodily injury to any person covered under this section arises out of or in the course of his/her employment except where such liability must be covered under the **Road Traffic Acts**; or
- for death or bodily injury to any person being carried in or on any trailer or caravan;
- if a person who was not driving makes a claim and he/she knew that the person driving did not hold a valid driving licence;
- loss, damage or injury arising out of "road rage" or a deliberate act by **you** or any person driving the **insured vehicle** with **your** permission;
- for legal costs if the person claiming such costs has previously been convicted of any offence for manslaughter or causing death by reckless or dangerous driving;
- for death, injury or damage arising while the **insured vehicle** is not on a public road and is in the process of being loaded or unloaded by any person other than the driver or attendant of the **insured vehicle**;
- for death, injury or damage arising during the loading or unloading of the **insured vehicle** when involving the use of any hoist, crane, lift forklift truck or similar appliance;
- for loss, damage or liability resulting from releasing a vehicle that has been seized by the police;

- any claim for any damage to any road structure or structure caused by vibration or weight of **your insured vehicle** or its load;
- any loss, damage or liability when the **insured vehicle** is taken outside of the **geographical limits** for any reason other than a visit of no more than 30 days in any one trip and 60 days in total in any one **period of insurance** for social, domestic and pleasure purposes;
- any loss, damage or liability when driving other vehicles;
- anything excluded in the General Exceptions.

SECTION 2 - LOSS OR DAMAGE TO THE INSURED VEHICLE

This section only applies if the cover shown on your schedule is comprehensive.

We will cover **you** against loss or damage to the **insured vehicle** (less any **excess** that applies) caused accidentally or as a result of malicious damage or vandalism. Loss or damage more specifically covered under Section 3 of this policy is excluded from this section.

Cover also applies under this section while the **insured vehicle** is in the custody of a member of the motor trade for servicing repair.

Under this section we may either:

- pay for the damage to be repaired; or
- with **your** agreement provide a replacement vehicle; or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay is the lower of:

- the **market value** of the **insured vehicle** immediately before the loss;
- the cost of repairing the **insured vehicle**.

If the **insured vehicle** was not first registered from new in the **United Kingdom**, we will not pay more than the purchase price paid by **you** at the time that **you** purchased the **insured vehicle**.

If the **insured vehicle** is the subject of a hire purchase agreement, finance or leasing agreement, any payment will be made to the owner described in that agreement whose receipt shall be a discharge of any claim under this section.

If the **insured vehicle** is stolen and has not been recovered at the time of settlement, or regardless of the type of loss or damage is deemed to be beyond economical repair, the damaged vehicle becomes **our** property once a claim is met under the policy. **You** must send the **claims administrator** the vehicle registration document and MOT Certificate for the **insured vehicle** before **we** are able to meet the claim.

If the **insured vehicle** is a total loss and **we** have agreed to compensate **you** under the policy, but the amount to be paid cannot be agreed between **us**, an independent engineer shall be appointed by the **claims administrator** to decide the amount to be paid to **you**. The independent engineer's decision will be binding upon **you** and upon **us**.

Repairs

Repairs are normally undertaken by **our approved repairer**. Where the **insured vehicle** is repaired by **our approved repairer**, the benefits **you** receive can include:

- all repairs are guaranteed for the duration of the manufacturer's warranty or 1 year whichever is greater;

- **you** will not need to obtain estimates;
- the **insured vehicle** will be washed and cleaned before being returned to **you**.

If **you** choose to use an alternative repairer:

- **we** will not guarantee the work after **you** have signed a customer satisfaction note and the **insured vehicle** has been returned to **you** by the repairer; and
- **we** will only pay for repairs carried out by an alternative repairer, if **we** have confirmed the repairs can proceed in writing to **you**; and
- **we** will not pay more than the cost of repairs had the work been undertaken by **our approved repairer**. In these circumstances **we** may at **our** option settle the claim for repairs to the **insured vehicle** by making a cash payment for the amount quoted by **our approved repairer** less the **excess** which applies to the claim.

Your insurance intermediary should make **you** aware of the above conditions before **you** enter into any arrangements with them for the repair of the **insured vehicle**.

Parts and unavailable parts

If parts required for repairing the **insured vehicle** are not available in the **United Kingdom** our liability for those parts shall not exceed the manufacturers' last **United Kingdom** list price or if not listed the price of those parts for the nearest comparable vehicle available in the **United Kingdom**. **We** will not pay the cost of importing parts that are not available in the **United Kingdom**. In these circumstances, **we** may, at **our** discretion, decide to pay **you** cash in lieu of the estimated cost of repairing the **insured vehicle**.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to the **approved repairer's** guarantee. Where the **insured vehicle** is damaged to the extent that using new parts will make it uneconomical to repair, **we** may at **our** option ask **you** if **you** are willing to have the **insured vehicle** repaired with second hand parts. This will be at **your** option and only to prevent the **insured vehicle** from being declared a total loss.

We will not pay the cost of any repair or replacement which improves the **insured vehicle** or its **accessories** to a better condition than they were in immediately before the loss or damage. If this does happen **you** may be asked to make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as, but not restricted to, exhausts or tyres, trim and mechanical or electrical components.

Protection and recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, **we** will pay:-

- the cost of its protection and removal to the nearest **approved repairer**, competent repairer or place of safety;
- the reasonable cost of re-delivery to **your** home or business address within the **United Kingdom** after the completion of repairs;
- the cost of storage of the **insured vehicle** incurred with **our** written consent.

If the **insured vehicle** is considered to be damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing, which may be **our** approved salvage agent.

You should remove **your** personal belongings from the **insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **insured vehicle** to an alternative repairer or place of safety at any time in order to keep the cost of the claim to a minimum.

Audio equipment

If this equipment forms part of the original vehicle specification and was fitted by the vehicle manufacturer or their authorised dealer at the time the **insured vehicle** was first registered from new, **we** will pay for the repair or replacement (subject to proof of purchase / receipt), after the deduction of any **excess**.

We will pay up to £250 subject to the deduction of any **excess**, for any **audio equipment** that was not part of the **insured vehicle** when it was originally manufactured or has been subsequently fitted to the **insured vehicle**.

In the event that the cost of replacing or repairing any **audio equipment** exceeds the **market value** of the **insured vehicle**, the most **we** will pay under this section will be the **market value** of the **insured vehicle**.

Vehicle salvage/retention

Under certain circumstances **we** may allow **you** to retain the **insured vehicle** as salvage following a total loss claim. This will be at **our** sole discretion and based on criteria applying at the time the **insured vehicle** is deemed to be a total loss.

Excess

You will be responsible for paying the amount shown on the **schedule** in respect of any claim relating to loss of or damage to the **insured vehicle**.

If **you** report an accident or incident within 24 hours of the time of the incident, via the Pukka App, **your compulsory excess** will be reduced by £150 (excluding glass/windscreen claims). If **you** fail to report an accident or incident that may lead to a claim within 24 hours via the Pukka App **you** will become liable to pay **your compulsory excess** in full as shown on **your schedule**.

Replacement Locks

If the keys or any device used to secure, gain access to, or enable **your insured vehicle** to be driven, are stolen, **we** will pay up to £500 towards the cost of replacing door and boot locks, ignition and steering locks, the lock transmitter and central locking interface (less any **excess** that applies).

This is providing it can be established that:

- the location of where the **insured vehicle** is kept overnight is known to any persons who may have the keys or device used to secure, gain access to, or enable **your insured vehicle** to be driven; and/or
- if the keys, lock transmitters and other devices that unlock or start **your insured vehicle** were not left in **your insured vehicle** while it was unattended or unoccupied.

Overnight accommodation or onward transport following a claim

If **you** are unable to continue **your** journey as a result of loss of or damage to **your insured vehicle** under this section of the policy, **we** will pay **you** up to £50 per person (£250 maximum for all occupants of the **insured vehicle**) in respect of one of the following:

- travelling expenses for the occupants **your insured vehicle** towards reaching **your** destination; or
- one nights hotel accommodation on the day of the accident or loss for the occupants of **your insured vehicle** where the loss of use necessitates an unplanned overnight stop.

You must pay for the accommodation or travelling expenses yourself and submit receipts for **us** to reimburse **you**.

There will be no cover for newspapers, drinks, telephone calls and meals.

This cover will not apply outside the **geographical limits** of the policy.

Protection against uninsured drivers

Should **you** be involved in a non-fault incident and the third party vehicle is uninsured, **your** no claim discount will not be reduced and **you** will not have to pay any **excess**. This cover is subject to the following:

- the accident is reported to the police and a reference is obtained; and
- **you** provide **us** with the details of the third party vehicle registration number, vehicle make and model; and
- **you** collect the third party drivers name and address.

SECTION 3 - LOSS OF OR DAMAGE TO THE INSURED VEHICLE BY FIRE OR THEFT

This section only applies if the cover shown on your schedule is comprehensive or third party fire and theft.

We will cover **you** against loss or damage to the **insured vehicle** (less any **excess** that applies) caused by **fire**, lightning, self-ignition, explosion, **theft** or attempted **theft**.

Cover also applies under this section while the **insured vehicle** is in the custody of a member of the motor trade for servicing repair.

Under this section we may either:

- pay for the damage to be repaired; or
- with **your** agreement provide a replacement vehicle; or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay is the lower of:

- the **market value** of the **insured vehicle** immediately before the loss;
- the cost of repairing the **insured vehicle**.

If the **insured vehicle** was not first registered from new in the **United Kingdom**, **we** will not pay more than the purchase price paid by **you** at the time that **you** purchased the **insured vehicle**.

If the **insured vehicle** is the subject of a hire purchase agreement, finance or leasing agreement, any payment will be made to the owner described in that agreement whose receipt shall be a discharge of any claim under this section.

If the **insured vehicle** is stolen and has not been recovered at the time of settlement, or regardless of the type of loss or damage is deemed to be beyond economical repair, the damaged vehicle becomes **our** property once a claim is met under the policy. **You** must send the **claims administrator** the vehicle registration document and MOT Certificate for the **insured vehicle** before **we** are able to meet the claim.

If the **insured vehicle** is a total loss and **we** have agreed to compensate **you** under the policy, but the amount to be paid cannot be agreed between **us**, an independent engineer shall be appointed by the **claims administrator** to decide the amount to be paid to **you**. The independent engineer's decision will be binding upon **you** and upon **us**.

Repairs

Repairs are normally undertaken by **our approved repairer**. Where the **insured vehicle** is repaired by **our approved repairer**, the benefits **you** receive can include:

- all repairs are guaranteed for the duration of the manufacturer's warranty or 1 year whichever is greater;
- **you** will not need to obtain estimates;
- the **insured vehicle** will be washed and cleaned before being returned to **you**.

If **you** choose to use an alternative repairer:

- **we** will not guarantee the work after **you** have signed a customer satisfaction note and the **insured vehicle** has been returned to **you** by the repairer; and
- **we** will only pay for repairs carried out by an alternative repairer, if **we** have confirmed the repairs can proceed in writing to **you**; and
- **we** will not pay more than the cost of repairs had the work been undertaken by **our approved repairer**. In these circumstances **we** may at **our** option settle the claim for repairs to the **insured vehicle** by making a cash payment for the amount quoted by **our approved repairer** less the **excess** which applies to the claim.

Your insurance intermediary should make **you** aware of the above conditions before **you** enter into any arrangements with them for the repair of the **insured vehicle**.

Parts and unavailable parts

If parts required for repairing the **insured vehicle** are not available in the **United Kingdom** **our** liability for those parts shall not exceed the manufacturers' last **United Kingdom** list price or if not listed the price of those parts for the nearest comparable vehicle available in the **United Kingdom**. **We** will not pay the cost of importing parts that are not available in the **United Kingdom**. In these circumstances, **we** may, at **our** discretion, decide to pay **you** cash in lieu of the estimated cost of repairing the **insured vehicle**.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to the **approved repairer's** guarantee. Where the **insured vehicle** is damaged to the extent that using new parts will make it uneconomical to repair, **we** may at **our** option ask **you** if **you** are willing to have the **insured vehicle** repaired with second hand

parts. This will be at **your** option and only to prevent the **insured vehicle** from being declared a total loss.

We will not pay the cost of any repair or replacement which improves the **insured vehicle** or its **accessories** to a better condition than they were in immediately before the loss or damage. If this does happen **you** may be asked to make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as, but not restricted to, exhausts or tyres, trim and mechanical or electrical components.

Protection and recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, **we** will pay:-

- the cost of its protection and removal to the nearest **approved repairer**, competent repairer or place of safety;
- the reasonable cost of re-delivery to **your** home or business address within the **United Kingdom** after the completion of repairs;
- the cost of storage of the **insured vehicle** incurred with **our** written consent.

If the **insured vehicle** is considered to be damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing, which may be **our** approved salvage agent.

You should remove **your** personal belongings from the **insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **insured vehicle** to an alternative repairer or place of safety at any time in order to keep the cost of the claim to a minimum.

Audio equipment

If this equipment forms part of the original vehicle specification and was fitted by the vehicle manufacturer or their authorised dealer at the time the **insured vehicle** was first registered from new, **we** will pay for the repair or replacement (subject to proof of purchase / receipt), after the deduction of any **excess**.

We will pay up to £250 subject to the deduction of any **excess**, for any **audio equipment** that was not part of the **insured vehicle** when it was originally manufactured or has been subsequently fitted to the **insured vehicle**.

In the event that the cost of replacing or repairing any **audio equipment** exceeds the **market value** of the **insured vehicle**, the most **we** will pay under this section will be the **market value** of the **insured vehicle**.

Vehicle salvage/retention

Under certain circumstances **we** may allow **you** to retain the **insured vehicle** as salvage following a total loss claim. This will be at **our** sole discretion and based on criteria applying at the time the **insured vehicle** is deemed to be a total loss.

Excess

You will be responsible for paying the amount shown on the **schedule** in respect of any claim relating to loss of or damage to the **insured vehicle**.

If **you** report an accident or incident within 24 hours of the time of the incident, via the Pukka App, **your compulsory excess** will be reduced by £150 (excluding glass/windscreen claims). If **you** fail to report an accident or incident that may lead to a claim within 24 hours via the Pukka App **you** will become liable to pay **your compulsory excess** in full as shown on **your schedule**.

Replacement Locks

If the keys or any device used to secure, gain access to, or enable **your insured vehicle** to be driven, are stolen, **we** will pay up to £500 towards the cost of replacing door and boot locks, ignition and steering locks, the lock transmitter and central locking interface (less any **excess** that applies).

This is providing it can be established that:

- the location of where the **insured vehicle** is kept overnight is known to any persons who may have the keys or device used to secure, gain access to, or enable **your insured vehicle** to be driven; and/or

- **we** will pay the amount of foreign customs duty for which **you** are liable as a direct result of loss or damage to the **insured vehicle** preventing its return to the **United Kingdom**.

GENERAL TERMS AND CONDITIONS

THESE GENERAL TERMS AND CONDITIONS APPLY TO THE WHOLE OF THE INSURANCE

Your duties

We will only provide the cover described in this insurance policy if:

- the premium has been paid for the current **period of insurance**; and
- **you** and anyone claiming under this insurance has met all the conditions contained in this policy wording, the policy **schedule**, **certificate of motor insurance** and any **endorsements** applied to the insurance; and
- the information **you** provided or which was provided on **your** behalf and which is displayed on **your statement of fact** or contained in any declaration is, to the best of **your** knowledge and belief, correct and complete; and
- **you** provide **us** with co-operation and assistance throughout the duration of this policy, for example if **we** request information or documentation from **you** when **you** purchase cover, make changes, submit a claim or, where applicable, renew **your** insurance with **us**; and
- **you** take all precautions to prevent loss or damage occurring and the extent of any loss or damage.

You premium is based on information **you** supplied at the start of the insurance, subsequent alteration or renewal. **You** must tell **us** via **your insurance intermediary** immediately of any change to that information. Some non-exhaustive examples are any changes to the **insured vehicle** from the manufacturer's standard specification, any change of vehicle, change of occupation (including part-time), change of address (including where the **insured vehicle** is kept), change of drivers, if **you** or any drivers sustain any motoring conviction or fixed penalty notice, are involved in an accident, or there is a change of main driver (see **Notification of changes which may affect your insurance on page 5**).

If **you**, or anyone acting on **your** behalf, upon applying for cover, renewing the policy, amending the policy or making a claim, commit a fraudulent act, submit a false document or make a false or exaggerated statement, cover under this policy may be declared void (where permitted by law) or otherwise cancelled immediately and **you** will not be entitled to a refund of premium. Any claims made against the policy will also not be paid. Where the full premium has not been paid, for example **your** payment has failed, been subsequently recalled or **you** have only paid a deposit, **we** will seek to enforce payment of the premium in full.

If **you** or anyone acting on **your** behalf at any time acts abusively or makes inappropriate comments (for example but not limited to those of a sexual nature), to **our** employees or those of **our** service provider or **your insurance intermediary**, then cover will cease immediately. Where applicable, **you** will be provided with a refund of premium in accordance with the Cancellation section.

Looking after the insured vehicle

You or any permitted drivers are required to maintain the **insured vehicle** in a roadworthy condition. **You** or any person in charge of the **insured vehicle** are required to take all reasonable care to safeguard it and its contents from loss or damage, for example the **insured vehicle** should not be left unlocked and ignition keys should not be left in or on the **insured vehicle** when **you** or any permitted drivers are not in the **insured vehicle**, no matter how briefly.

We shall at all times be allowed free access to examine the **insured vehicle**.

There must be a valid Department for Transport test certificate (MOT) in force for the **insured vehicle** if one is needed by law. In the absence of a valid Department for Transport test certificate (MOT) all cover under Section 2 of this insurance is cancelled and of no effect.

Security devices

If a security device is fitted at **our** request and/or approved and agreed by **us**, on the **insured vehicle** it is a condition of this policy that:

- the security device is kept in an efficient and workable condition;
- a service contract is kept continuously in force with the security company and the company responsible for the service contract is advised immediately by **you** of any apparent failures or defects in the system or signalling;
- the security device or system is put into full and effective operation at all times the **insured vehicle** is left unattended.

Claims conditions

We will not pay for further damage to the **insured vehicle** if **you** drive it or attempt to drive it in a damaged condition.

If **your** claim is due to **theft**, attempted **theft**, malicious damage or vandalism, **you** must also notify the police and obtain a crime report number.

We have the right to remove or move the **insured vehicle** at any time. If the **insured vehicle** is damaged beyond economical repair, **we** will arrange for it to be stored safely at premises of **our** choosing.

If **we** ask to examine driving licences and vehicle documentation before agreeing to settle a claim under this policy **you** and anyone else driving the **insured vehicle** at the time of the accident must supply this documentation before **we** can proceed with the settlement.

Where an **excess** is payable, **we** will ask the repairer to collect this from **you** when the repair is finished. The repairer will also ask **you** to pay any VAT if **you** are registered for VAT.

Any indication of a claim against **you** must be notified to **us** in writing as soon as possible. Any writ or notification of civil or criminal proceedings should be sent to **us** by recorded delivery immediately.

We shall be entitled to take over and conduct the defence or settlement of any claim or prosecute any claim in the name of any person covered by this insurance.

No admission of liability, payment or promise of payment shall be made or given by **you** or any person on **your** behalf. No proceedings may be commenced against, or settlement accepted from, any other party without **our** written consent.

We shall have absolute discretion in the conduct of any proceedings or in the settlement of any claim and **you** and anyone else driving the **insured vehicle** at the time of the accident must give **us** whatever co-operation, information and assistance is necessary.

If **you** make a claim for any liability, loss, damage or expense under **your** policy that is also covered by any other insurance and/or maintenance contract, **we** will only pay **our** proportionate share of the claim.

You must tell **your insurance intermediary** about any other insurance or maintenance contracts **you** have in place that provides similar insurance cover as this policy.

If **you** fail to tell **us** or **you** delay telling **us** about an accident or incident that may lead to a claim and this increases **our** claim costs, **you** will become liable to pay the additional costs. It may also invalidate **your** right to claim.

No claim discount

If no claim is made under **your** insurance **your** no claim discount (if applicable) will be increased at **your** next renewal.

If **you** make a claim, or a claim is made against **you**, and **you** do not have Protected No Claim Discount (if applicable), **we** will reduce **your** no claim discount as per the table below.

If a claim occurs which is not **your** fault and **we** have to make a payment, **we** will class this as a non-recoverable claim and reduce **your** no claim discount unless/until **we** can recover all that **we** have paid from those responsible.

NCD years at inception (or on renewal)	NCD Years at renewal without Protected No Claims Discount			
	Fault/Prejudicial claims made during policy year			
	None	1	2	3 or more
0	1	0	0	0
1	2	0	0	0
2	3	0	0	0
3	4	1	0	0

5	6	3	1	0
6	7	3	1	0
7	8	3	1	0
8	9	3	1	0
9+	9	3	1	0

If **your** renewal is due and investigations into a claim are still on-going, **we** may reduce **your** no claim discount provisionally, until **our** investigations are complete. **We** may then restore **your** no claim discount and refund any extra premium that has been paid.

If a claim is made after **your** renewal premium has been calculated, **we** reserve the right to revise **your** premium or cancel **your** policy.

If **your** no claim discount has been reduced on renewal of **your** policy and a subsequent recovery is made on a claim which affected **your** no claim discount, **we** will reinstate **your** no claim discount and any applicable premium will be refunded to **you**.

We reserve the right to retain proof of **your** no claim discount entitlement until all payments due have been made.

Protected No Claim Discount

You can choose to protect **your** no claim discount for an additional premium. The minimum number of years **you** can protect is 5 years and the maximum number of years **you** can protect is 9 years.

If **you** have chosen to protect **your** no claim discount this will show as an **endorsement** on **your** policy schedule.

Protected No Claim Discount will allow **you** to have 1 non-recoverable claim per year without **your** no claim discount years being affected. On the 2nd and subsequent claims **we** will reduce **your** no claim discount as per the following table:

NCD years at inception (or on renewal)	NCD Years at renewal with Protected No Claims Discount				
	Fault/Prejudicial claims made during policy year				
	None	1	2	3	4 or more

CANCELLATION

Cancellation by you during the “Cooling Off Period”

If this policy does not meet **your** needs, **you** have 14 days from receipt of **your** insurance policy documents to cancel. Provided no claim has or is likely to be made, **you** will be charged for the period **you** have been on cover plus the reasonable administration costs. **Your insurance intermediary** may charge for their administration costs.

Cancellation by you after the “Cooling Off Period”

You can cancel this insurance at any time by writing to **us** via **your insurance intermediary**. Cancellation of the policy will be effective from date of the request by the policyholder. Provided there have been no claims or incidents likely to result in a claim in the current **period of insurance**, **we** will refund the premium relating to any unused portion of cover. All cancellation refunds are issued on a pro-rata basis, plus a charge of £50 excluding IPT. If the policy is subject to a claim during the current **period of insurance**, no refund of premium will be allowed.

Cancellation by us after the “Cooling Off Period”

We or **your insurance intermediary** may cancel this insurance by giving **you** 7 days’ notice in writing to **your** last known address (and in the case of Northern Ireland to the Department of the Environment, Northern Ireland). Subject to no claims having been made (or likely to be made), **we** will refund a proportionate part of the premium. **We** will only exercise this right if there is a good reason for doing so, including fraud, non-payment of premium, not providing documents **we** request, or a risk **we** consider unacceptable.

Cancellation by us – Non-Payment of Premium

We or **your insurance intermediary** can cancel this policy by giving **you** 7 days’ notice in writing to **your** last known address (and in the case of Northern Ireland to the Department of the Environment, Northern Ireland). There will be no refund of premium if **our** cancellation is the result of **your** failure to pay the full premium.

Premium defaults: If **you** pay **your** premium by instalments and there is a default in payments, **we** or **your insurance intermediary** may cancel this insurance by sending **you** 7 days’ notice of cancellation in writing.

Cancellation by us – where we reasonably suspect fraud

The Consumer Insurance (Disclosure and Representations) Act 2012 and The Insurance Act 2015 requires **you** to take reasonable care to provide complete and accurate answers to the questions **we** ask and sets out situations where failure by a policyholder to provide complete and accurate information requested by an insurer allows the insurer to cancel the policy, sometimes back to its start

date and to keep any premiums paid. There will be no refund of premium if **our** cancellation is the result of **your** dishonesty or where **we** reasonably suspect fraud by **you**.

Where **our** investigation provides evidence of fraud or a serious non-disclosure **we** may cancel the policy immediately and backdate the cancellation to the date of the fraud or when **you** provided **us** with incomplete or inaccurate information, which may result in **your** policy being cancelled from the date **you** originally took it out. **We** may also seek reimbursement of any claims monies paid by **us** since the fraud was committed.

Cancellation by us – for your Non-Compliance with Policy Terms and Conditions

We or **your insurance intermediary** may cancel this policy by giving notice to **you**, and such cancellation will have immediate effect, if **we** or they become aware that **you** have been driving **your insured vehicle** otherwise than in accordance with the policy terms and conditions. If **your** policy is cancelled or **you** have made a claim under **your** policy or **your** policy has otherwise been terminated from its inception, in certain circumstances **we** may not be obliged to refund any premium.

Cancellation by us – in the event your insured vehicle is the subject of a Total Loss

If as a result of a claim **your insured vehicle** is determined to be a total loss this policy will cease without refund of premium. In this event all outstanding or overdue premiums must be paid.

Right of recovery

If under the laws of any country in which this insurance applies, **we** have to make payments which but for those laws would not be covered by this policy, **you** must repay the amounts to **us**.

You or the person who caused the accident must also repay **us** any money **we** have to pay because of any agreement **we** have with the Motor Insurers' Bureau if such payment would not have been covered by the policy.

Any payment **we** make under this condition will mean that there will be no entitlement to a return of premium if the policy is cancelled or declared void.

Motor Insurance Database (MID) and Continuous Insurance Enforcement

It is a condition of this insurance policy that **you** comply with the requirements of the 4th EU Motor Insurance Directive and supply details of any vehicle(s) to be insured under this policy to **your insurance intermediary** as soon as the vehicle(s) come(s) into **your** possession. **Your** failure to comply with this requirement may result in **you** not being covered under this insurance and cancellation being invoked by **us** or **your insurance intermediary**.

Continuous Insurance Enforcement legislation also means that **your** vehicles must be insured at all times unless they have been declared by **you** as 'off the road' by way of a SORN declaration.

If there is no record on the MID showing **your vehicle** is insured, and **you** have not declared it as 'off road' (by completing a SORN), **you** will receive a letter warning **you** that **you** could face a fine, prosecution, and **your** vehicle could also be clamped, seized and ultimately, destroyed. For peace of mind **you** can check that **your insured vehicle(s)** appear on the MID by going to the MID's website: www.askMID.com.

This will avoid the inconvenience of **you** or any other drivers being un-necessarily stopped by the police. If **you** have insured **your** vehicle(s) with **us** and it/they do not appear on the MID then **you** should contact **your insurance intermediary** in the first instance to ensure the MID is updated. It is **your** legal obligation to make sure that **your insured vehicle** appears on the MID.
